RE: Amended April Quarterly Report (1/1/2014 – 3/31/14)

Dear Sir or Madam:

The Federal Election Commission has notified our campaign that we need to file the Amended April Quarterly Report (1/1/2014 – 3/31/14) to modify employment listings for several of the entries. We were instructed that "Information Requested" is not an acceptable notification and that we must use "Best Efforts". We were also instructed to provide you with a cover letter explaining our best efforts policy.

When we send an initial letter asking for a contribution we enclose a remittance envelope which states the campaign finance laws at the bottom. When we send a thank you for the donation letter, if their contribution is over \$200, it again requests that information from them in that letter. These letters are normally sent within 60 days after the donation is received. Then, two weeks prior to sending in the report, if we have not heard from the individual, someone from our campaign will call or email the individual to again request the information.

We have now completed this process with all of the individuals listed in the Amended Report attached. If no response was received from them prior to mailing this letter, we have noted their names with "Best Efforts" rather than information requested.

As we were making changes to the report as you requested, we noted that several donations/refunds were incorrectly categorized on the original report. Ultimately the total revenue/expenses did not change just how they were categorized. The following items have now been categorized correctly:

Date	Item	Amount	Original Cat.	Correct Cat
1/30/14	David Hartley	\$50.00	Other (15)	Contribution (11)
1/31/14	Mrs. Clifford Wiklund	\$25.00	Other (15)	Contribution (11)
1/31/14	Tim Grover	\$50.00	Other (15)	Contribution (11)
2/5/14	Charter	\$112.59	Other (15)	Offset (14)
2/25/14	IRS	\$213.66	Other (15)	Offset (14)
3/10/14	IRS	\$414.06	Other (15)	Offset (14)

One additional note, the contributions from Brian Maki were incorrectly designated on the prior report, as all of them were made during the same reporting period, we have now corrected the designations on this amended report. The in kind food donation should have been designated as primary along with the \$1400 cash contribution. The remaining \$2,600 contribution has been redesignated as general.

I hope that this report now adequately reports the information that we are required to report.

Sincerely,

Dale Knezevich  
Treasurer
